

## ZINC PRODUCTS

EDITION  
2024

**Saiffe International** estb. in 1994, initially a small endeavor to produce furniture hinges is now a widest range of hardware supplier and exporter. Since then we have set off on a daring expedition of exploration and achievement in keeping with the spirit of "passion in motion".

Our ability to foresee and consequently capitalize on modification while launching much tough products has enabled us to constantly expand the sphere of leadership.

At **Saiffe International**, philosophy of our company is;

Where every effort is a relentless pursuit towards perfection  
Where solution never ends but evolves constantly, changing with time, with situations, with people & their needs.

Where the flow of knowledge never stops and every instance is an opportunity to learn.

From time to time we have upgraded our technical systems to deliver cost effective and better products. And it has helped us to offer a huge array of architectural hinges and builder hardware in a full range of finishes plus specialty hinges in all styles, sizes and finishes.

This also houses the Sales, Administration, Warehousing and Distribution Departments. To provide its customers with the finest grade of finishing.

**Saiffe International** products are exported to Kenya, Congo, Tanzania, Zambia, Sri Lanka & Dubai.

## ***Quality Policy***

Every BOLT PLUS product goes through Multiple Inspections before being shipped to our customers. Which includes: Material, Processing, Polishing, Finishing, Assembly and Packing.

Our products are utilised in furniture fittings, door fittings etc. Being aware of the impact of our activities and products have on these industries, we are committed to.....

- Stream line all production processes.
- Deliver total customer satisfaction.
- Continuously improve process, system and productivity.
- Involve all employees in continual improvements.
- Comply with applicable statutory, regulatory and customer requirements.
